EDUCATION

Florida SouthWestern State College, Fort Myers, FL — BAS in Information Systems Technology

Expected Graduation Date: May, 2026

Florida SouthWestern State College, Fort Myers, FL — AS in Cybersecurity Operations

Graduation Date: May 3, 2024

Graduate with honors

LaBelle High School, LaBelle, FL — Highschool Diploma

Goals

I hope to gain hands-on experience, find areas for improvement, learn new technologies, tools, and platforms, attend industry events, and build professional relationships with colleagues and mentors to be the best version of myself. Currently, I am working towards a CompTIA A+ Certification.

SKILLS

While I may lack work experience, I have the:

Effective verbal and written communication skills

Strong problem-solving skills

Capacity to think critically

Willingness to learn and adapt

Certifications

ISC2 Certified in Cybersecurity

Testout PC Pro Certification

Testout Network Pro Certification

Volunteer Work

Helped out at the Transportation and Maintenance for Hendry County District, from bus checks to clean-ups

Helped teachers at LaBelle Elementry School (VPK-5) as a tutor for various after-school activities and more.
